Dear **Arch. Mañosa,**

Greetings from the National Commission for Culture and the Arts (NCCA)!

We are writing with reference to your letter dated 06 June 2019 requesting for clearance for the proposed renovation of Risen Christ Memorial Garden which was designed by National Artist Francisco Mañosa.

We have taken note of the changes to be undertaken for the project, such as the additional niches, additional PWD comfort room and wash area, additional accessibility ramps, additional votive stand, improvement of pond and lightings, and extension of walkway canopies. With this, we would like to formally inform you that this Commission has no objection to the proposed renovation.

With assurance of our highest esteem and warmest regards.

Very truly yours,

VIRGILIO S. ALMARIO
