**National Commission for Culture and the Arts**

Intramuros, Manila

Dear **Deputy Executive Director Tellano**:

We are writing in connection to the letter of appeal of Marcus Phoenix Media Production Corp., regarding the bidding of one (1) Procurement of Dayaw TV Airing in Local Cable Channel in Mindanao regarding the provision: ***“Prospective bidders must be a cable company or corporation with more than ten (10) years of experience in the business”.***

This said provision in the technical specifications of the project was stated to ensure that the cable company or corporation is a legitimate company that can execute the project accordingly, and by this we wanted to make sure that the specifications of the project stated in the bid documents are met.

We hope that the BAC evaluates closely the bidder’s status and credibility as a cable channel operator or company and not as a production house.

Thank you very much.

Respectfully,

  
**Rene S. Napeñas**
